

PROVE DI EQUILIBRIO

COME IL PROTAGONISTA DELLA STORIA DI OGGI, PROVIAMO A

TRASPORTARE QUALCOSA SULLA TESTA... POSSIAMO PRENDERE UN PIATTO

DI CARTA, UN LIBRO, UN PUPAZZO, UNA MACCHININA, UN LEGO...

PROVATE A TENERLO IN EQUILIBRIO SULLA TESTA SENZA

TENERLO CON LE MANI E POI ... SPOSTANDO TAVOLI

E SEDIE, CREIAMO UN PERCORSO: ALL'INIZIO FATELO SEMPLICE,

SOLO CON QUALCHE CURVA, MA QUANDO SARETE DIVENTATI BRAVI,

POTRETE ANCHE METTERE DEGLI OSTACOLI DA SUPERARE, SEMPRE

SENZA FAR CADERE QUELLO CHE TENETE SULLA TESTA...

BUON DIVERTIMENTO!
